

EXHIBIT 9

1 Date: June 25, 2008
2
3 Time 1:30 pm
4 PLEASE TAKE NOTICE:
5
6 On June 25, 2008 at one thirty p.m., at Courtroom C, 15th Floor, United States District Court for
7 the Northern District of California, 450 Golden Gate Ave., San Francisco, Ca 94102, plaintiffs
8 will move the Court to issue an order requiring site operators UAD and MAYFIELD to Cease
9 and Desist from all industrial operations at UAD and MAYFIELD sites within the exterior
boundaries of the PINOLEVILLE POMO NATION pending completion of the following
requirements:
10
11 Retain a California Registered Geologist or Registered Civil Engineer and lodge CV or resumé
with Court and PPN Tribal Council.
12
13 Provide access for PPN Tribal Council TO UAD and MAYFIELD sites over 60 days for
PLAINTIFFS sediment and soil testing and further and extensive testing as contemplated in
Declaration of Joaquin Wright of KENNEC INC EARTH ENGINEERING & SCIENCE.
14
15 Under supervision of a California Registered Geologist or Registered Civil Engineer remove all
contaminated soil off UAD and MAYFIELD sites until all hazardous materials and or
16 constituents are below CAL EPA MCL limits, legally and properly, and in compliance with all
state and federal regulations, and in a manner when moving dirt about, not to create hazards such
as airborne particles such as lead. Provide manifest and written documentation to Court and PPN
17
18 Tribal Council as to transportation and destination of contaminated soil.
19
20 Put down Asphalt where industrial operations are contemplated.
21
22 Submit plan for Best Management Practices (BMP) to prevent pollution and illegal discharge of
pollution certified and prepared by a licensed engineer or licensed geologist to be lodged with
Court and PPN Tribal Council.
23
24 Implement BMP'S verified through initial inspection by PPN Tribal Council in order to resume
industrial operations, and then twice monthly monitoring for compliance over 12 month period
25 by PPN Tribal Council.
